Maria Santos

Senior Backend Engineer - Lisbon, Portugal
maria.santos@inbox.example

Summary

Backend engineer with nine years of experience building payment and logistics platforms. I design services that stay fast and correct under load, and I like teams that write things down.

Skills

Go, PostgreSQL, Kubernetes, Kafka, gRPC, Docker, Terraform

Experience

2021 - today: Senior Backend Engineer, Tejo Payments (Lisbon)
Built the settlement service in Go on PostgreSQL; moved twelve services to Kubernetes. Introduced Kafka for payment events and gRPC between services.
2017 - 2021: Backend Engineer, Ribeira Logistics (Porto)
Wrote the routing API and its Docker build; managed the AWS setup with Terraform.

Education

MSc in Computer Science, 2016

Languages

Portuguese (native), English (fluent), German (good working knowledge)
